IF 950-400 L

IF 950-400 L

- Easily cleanable acrylic surface
- Wall mountable: recommended mounting method is clinching in case of metal armature wall panels, fastening with screws in case of laminated scrapings.
- Does not require support
- Does not lean against the floor so it does not obstruct cleaning, moving
- It is an adequately strong, flexible (vandalism secured) structure

Packaging, delivery

- Twenty peaces in paper boxes on pallet, maximum four rows.

Type	€/pc.
IF 950-400 L	29,-
